

Get Air-conditioners Maintenance Agreements with Airconcare & Green Logistics (ACGL).

AirconCare & Green Logistics (ACGL) offers annual Preventative Maintenance Agreements to help you get the most out of your Air-conditioners and ensure your home and business maintain a year round comfort level. The benefits of having an agreement ensure that you:

- Maintain the peak efficiency of your air-conditioner(s)
- Conserve fuel and reduce wear and tear on your equipment
- Save every month— on your utility bills
- Extend the life of your air-conditioners
- Reduce the likelihood of costly, unexpected repairs
- Improve the air quality inside your home and office with clean filters
- Enjoy the peace of mind in knowing your family, clients and employees will always be comfortable.

Maintenance agreement from **AirconCare & Green Logistics** includes all of the following benefits:

- Priority service over non-agreement customers
- Automatic reminders, we contact you when it is time for servicing
- Routine maintenance prolongs the life of the equipment and will reduce energy costs
- Clean filters
- Lubricate, adjust and safety test specified equipment
- Service history of your equipment
- You get discounts on your service when you refer others to us

Friendly, knowledgeable technicians will perform all maintenance
